

**Form for submission of comments and suggestions for the project
“Improvement of the conditions for development of the alternative tourism on the locality
Monospitovo Swamp “**

Within the “**Local and Regional Competitiveness Project**”, supported by the EU, the World Bank and the Ministry of Economy of the Republic of Macedonia, project component “Investment in tourism-related infrastructure and linkages at destinations”, the Municipality of Bosilovo made a project “**Improvement of the conditions for development of the alternative tourism on the locality Monospitovo Swamp**” and applied for a grant which will finance the project.

The aim of the project is to strengthen the tourist potential of the Municipality of Bosilovo and to improve the conditions for development of alternative tourism on the locality Monospitovo Swamp, which will enable the development of the destination.

With the application for the project “**Improvement of the conditions for development of the alternative tourism on the locality Monospitovo Swamp**”, the Municipality of Bosilovo also submitted an **Environmental Management Plan** in order to identify and evaluate the possible impact of the project activities on the environment on time. The Plan includes measures for prevention, minimization and mitigation of the possible negative effects of the realization of the foreseen project activities.

The electronic version of the Environmental Management Plan for the project is available here:
